

# GET INVOLVED WITH EQUATOR

**Help us stamp out research waste  
and improve publications for better patient care**

## **Implement reporting guidelines**

Find out how to help authors write better articles for higher impact  
Access the latest tools and training opportunities to help authors, editors and peer reviewers use reporting guidelines effectively

Contact Iveta Simera for more information  
[iveta.simera@csm.ox.ac.uk](mailto:iveta.simera@csm.ox.ac.uk)

## **Education and Training**

Help us embed the use of reporting guidelines in health research at every stage  
Become an EQUATOR trainer and join our trainers' network.  
Review and pilot new education and training materials.

Contact Caroline Struthers for more information  
[caroline.struthers@csm.ox.ac.uk](mailto:caroline.struthers@csm.ox.ac.uk)

## **Join our Librarians' network**

Help improve the health research literature.

Contact Shona Kirtley for more information  
[shona.kirtley@csm.ox.ac.uk](mailto:shona.kirtley@csm.ox.ac.uk)

## THE UK EQUATOR CENTRE SUPPORTS:

### Researchers and supervisors

Plan & design for success

Find the right reporting guidelines

Use EQUATOR resources to maximise the impact of your research

### Journal editors, peer reviewers & publishers

Improve the quality, usefulness & impact of research articles

Enhance the reputation of your journal

Blow the whistle on bad reporting

### Librarians and teachers

Promote the use of reporting guidelines

Make your institution stand out from the crowd

Give researchers & students the edge they need to succeed

## COMING SOON

**New toolkits**  
**Online learning & teaching support**  
**New courses**

[www.equator-network.org](http://www.equator-network.org)

## WE PROVIDE:

### Free online resources

Library for health research reporting

Unique searchable database of reporting guidelines for protocols, study reports & reviews

Guidance on scientific writing

Research & publication ethics

### Education and training

Teaching essential planning, methods & reporting skills needed for robust & usable research

# GOOD REPORTS CAMPAIGN LAUNCH IN 2016

## EQUATOR'S IMPACT

"It is difficult for me to think of any other single initiative on Research Methodology that has had a similar broad impact on research as EQUATOR. The EQUATOR Network has become an indispensable resource for researchers, editors and peer reviewers for guidance on health research reporting and general issues relating to the responsible conduct and reporting of health research."

Professor John Ioannidis
