

WHAT ARE WE ALREADY DOING?

* Publication Standards Checklist
(Public Health England)

↳ Librarian critiquing methodology

WILL DO
- create leaflets / links to PRISMA
EQUATOR.
raise visibility.

* Influence the Influencer
- find a champion in institution

* Who is doing the work?
↳ Create a publication standard
for the institution

* Create / ~~Pre~~ Pre-fill PRISMA ~~for~~ researcher

* Create
'Research Reporting' Workshop

* EQUATOR Librarian Network
- place to share resources

* Reference Interview for Sys. Rev. Search
- check out POSTER.

* Review
- Andrew Booth's Table

+
50 Shades of Review
EMAIL CPD

* 2016 CAHL Motion to have
librarians are involved in peer
review

How/Can we put
pressure?

ICMJE
Journal
Editors.

? CAHL Board?

* Ethics committee

* PubMed Commons
and/or
Comments on pubpeer (?)

* Volunteer as peer reviewer on
LKS publication
— Read reviewer guidelines

* use the evidence to encourage better practice.

* Barriers?

- need for proactive approach

- making most of every conversation connection
