

## Items to report in journal or conference abstracts for social and psychological intervention trials

Section	CONSORT Abstract item	Relevant CONSORT-SPI item	Reported on Page #
<b>Title</b>	Identification of the study as randomised		<a href="#">Click here to enter text.</a>
<b>Authors</b>	Contact details for the corresponding author		<a href="#">Click here to enter text.</a>
<b>Trial Design</b>	Description of the trial design (e.g. parallel, cluster, noninferiority)	If the unit of random assignment is not the individual, refer to CONSORT for Cluster Randomised Trials and report the items included in its extension for abstracts	<a href="#">Click here to enter text.</a>
<b>Methods</b>			
<b>Participants</b>	Eligibility criteria for participants and the settings where the data were collected	When applicable, the eligibility criteria for the setting of the intervention delivery and the eligibility criteria for the persons who delivered the interventions	<a href="#">Click here to enter text.</a>
<b>Interventions</b>	Interventions intended for each group		<a href="#">Click here to enter text.</a>
<b>Objective</b>	Specific objective or hypothesis	If pre-specified, how the intervention was hypothesised to work	<a href="#">Click here to enter text.</a>
<b>Outcomes</b>	Clearly defined primary outcome for this report		<a href="#">Click here to enter text.</a>
<b>Randomisation</b>	How participants were allocated to interventions		<a href="#">Click here to enter text.</a>
<b>Awareness of assignment</b>	Who was aware of intervention assignment after allocation (for example, participants, providers, those assessing outcomes), and how any masking was done		<a href="#">Click here to enter text.</a>
<b>Results</b>			
<b>Number randomly assigned</b>	Number randomised to each group		<a href="#">Click here to enter text.</a>
<b>Recruitment</b>	Trial status		<a href="#">Click here to enter text.</a>

<b>Interventions</b>		Extent to which interventions were actually delivered by providers and taken up by participants as planned	Click here to enter text.
<b>Number Analysed</b>	Number analysed in each group		Click here to enter text.
<b>Outcomes</b>	For the primary outcome, a result for each group and the estimated effect size and its precision		Click here to enter text.
<b>Harms</b>	Important adverse events or side effects		Click here to enter text.
<b>Conclusions</b>	General interpretation of the results		Click here to enter text.
<b>Trial registration</b>	Registration number and name of trial register		Click here to enter text.
<b>Funding</b>	Source of funding		Click here to enter text.
